Re: Appeal to Keep Careywood Post Office Open

Description:

The Bonner County Commissioners support the appeal submitted by our constituents to the Postal Regulatory Commission (PRC) regarding the proposed closure of the Careywood Post Office (Docket Number A2015-2).

The Careywood Post Office is the heart of this small rural community and its closure will place the burden of many more miles of travel. Our county residents have been using this post office since 1933 and hundreds of them have expressed significant concerns of the hardships they will suffer with the closure of this contract post office.

Distribution: Fax to Erica Barker 202-789-6819

A suggested motion would be: Mr. Chairman based on the information before us I move that the County approve the letter to the Postal Regulatory Commission recommending the appeal of our constituents to keep the Careywood Post Office open.

Recommendation Acceptance: ☒ yes ☐ no

Dear Secretary Grove:

As County Commissioners in Bonner County Idaho we support the appeal submitted by our constituents to the Postal Regulatory Commission (PRC) regarding the proposed closure of the Careywood Post Office (Docket Number A2015-2).

The Careywood Post Office is the heart of this small rural community and its closure will place the burden of many more miles of travel, valuable time and the associated costs involved. Our county residents have been using this post office since 1933 and hundreds of them have expressed significant concerns of the hardships they will suffer with the closure of this contract post office.

We strongly recommend that the PRC carefully consider the appeal of our constituents and keep the Careywood Post Office open.

Respectfully,

Bonner County Board of Commissioners

Cary Kelly, Chairman
